

Engine

# ***BIZOL PRESS RELEASE***

## **oil selection, oil change**

05/05/2022

It is difficult to make a choice from among the variety of engine oil brands. What do you need to know to make proper choice so that it would be 'useful and tasty' for your car?

### **BIZOL Car Engine Oil**

When you make choice of the engine oil, you must pay your attention to:

- Recommendation of the car manufacturer in the warranty and service book, e.g.:
- SAE viscosity grade (0W-20, 5W-30, 5W-40 etc.)
- ACEA, API, ILSAC, JASO international classification
- Approvals of car manufacturers (Mercedes-Benz, BMW, VW, Porsche and the like)

**[BIZOL Oil guide](#) will help you make a right decision**
