BIZOL PRESS RELEASE

engine damage due to low speed pre-ignition (LSPI)

05/05/2022

downsized engines, especially T-GDI engines, are subject to an increased risk of engine damage due to Low Speed Pre-Ignition (LSPI)

BIZOL Green Oil+ 5W-20 / 5W-30 / 5W-40

- special base oils in combination with highest quality additives in BIZOL Green Oil+ prevent Low Speed Pre-Ignition (LSPI)
- state-of-the-art additives in combination with nano engineered surface-gel
- protecting the timing chain and prevent Low Speed Pre-Ignition (LSPI)
